A Certificate of Registration issued to a retailer that makes taxable sales or a facilitator liable for sales and use tax becomes void if, for a period of 18 months, the retailer or facilitator files no sales and use tax returns or files sales and use tax returns showing no sales. The Department's records indicate that no sales have been reported for this Account ID for the past 18 months, therefore the Certificate of Registration bearing the sales and use tax Account ID is void and is canceled effective September 30. A final sales and use tax return should be filed for the period ending September 30.

If the person identified below is engaged in a business which requires a certificate of registration and must file sales and use tax returns and pay applicable taxes to the Department or is in a business that only makes wholesale or exempt sales, complete and detach the lower portion of this notice and return it to the Department at the address noted at the top of this notice. Upon receipt of the Request for Reinstatement for the Certificate of Registration attached below, the Department will reactivate the sales and use tax Certificate of Registration bearing the account ID shown above.

If you have questions, you may call the Department toll-free at 1-877-252-3052.

Detach here if registration should be reinstated and mail it to the address shown below.
